Excerpt from the *Handbook of Accreditation*, Standard 2 – Educational Programs:

5. At least every two years, three bonafide potential employers review each educational program and recommend admission requirements, program content, program length, program objectives, competency tests, instructional materials, equipment, method of evaluation, and level of skills and/or proficiency required for completion, and appropriateness of the delivery mode for the program. (Objectives 2-B-2 and 2-B-4)
6. The institution considers the length and the tuition of each program in relation to the documented entry level earnings of completers. (Objective 2-B-2)

**NOTE:** Job Corps Centers may use the Vocational Evaluation System (VES) Report in place of the COE Employer Program Verification Form.

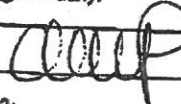

- \* For programs that include a distance education mode of delivery that recruit students outside the service area(s) of an institution's physical location(s), a market needs analysis or other demographic data which demonstrates demand for the program may be submitted.
