PHARMACY TECHNICIAN

Join our Pharmacy Technician program where you can learn to handle all aspects of the prescription fulfillment process and assist the pharmacist with day-to-day operations. Our program will prepare you to work behind a pharmacy counter at a drugstore, grocery store, hospital, nursing home or other medical facility.

Start your career as a Pharmacy Technician today! Contact us now for more information about this exciting career field.

JOB PLACEMENT

Job placement services are available to assist students with career placement assistance, interviewing techniques, resume writing assistance, professional appearance guidelines, time management skills, and job search techniques.

CONTINUING EDUCATION

COMPOUNDING WORKSHOP

This course has been designed to train Pharmacy Technicians on the topic of extemporaneous, non-sterile pharmaceutical compounding.

IV WORKSHOP

A Pharmacy Technician who completes this workshop will be able to prepare and package IV sterile dosage forms under the Pharmacist supervision.

PTCB REVIEW

Prepare graduates from Pharmacy Technician to pass the National Pharmacy Technician Board (PTCB).

CONTINUING EDUCATION UNITS

We offer CEUs according to PTCB standards for certification renewal.

Florida Vocational Institute is committed to providing you a quality education in a lifelong, rewarding career.
